The two days at Farmor's School will be about all things goalkeeping.

Sessions will be run by Ryan alongside our qualified goalkeeping coaches and will include shared experiences of the professional game and a daily online Q&A session with other professional keepers helping you to enhance your game.

As part of our all day group Ryan will also lead a goalkeeping class-based session looking at all the technical aspects of being a modern day professional goalkeeper.

An Awards Presentation is at the end of the camp on Friday 23rd August at 3.45pm - with the opportunity for family and friends to attend.

All skill levels are welcome at our summer Goalkeeping School from beginner to more advanced level keepers. Our aim is to develop enthusiastic young players by offering first class coaching to help improve their game. Coaching sessions are fun, professional and inclusive.

RYAN HUDDART

Ryan joined the Arsenal Academy at 15 and played for the club's U18, U21 and U23 squads. A physically imposing shot stopper, Ryan trained for 3 seasons with Arsenal and Czech Republic international goalkeeper Petr Cech. He credits his idol hugely for helping him develop his game during his time as part of Arsene Wenger's team.

Ryan represented England at an international level in the U16's and U17's youth teams and the England C squad. He retired from the professional game in 2021 and has now embarked on a new career as a football agent.
